(Arthur Leo Owens - Johnny McRae)

I don't wanna know who's loved you I don't wanna know
your past
I won't bother you with questions that you don't want
me to ask
But I see your look that tells me that you don't wanna
be alone
I just thought that you might need me till you can make
it on your own.

I don't think that you'll be sorry for the time you spend
with me
As long as we're together you can't hide from
memories
Tell your heart I'm not a stranger make believe that I
belong
Lay your head upon my shoulder till you can make it on
your own.

I don't think that you'll be sorry for the time you spend
with me
As long as we're together you can't hide from
memories
Tell your heart I'm not a stranger make believe that I
belong
Lay your head upon my shoulder till you can make it on
your own.

Lay your head upon my shoulder till you can make it on
your own...
