Well I talk,
Too much
To myself
And I turn my back on my faith
It's like glass
When we Break
I wish no one in my place

and i've seen
you don't need their scenes
when their cut goes in deep
and i'm lost in sleep

i can't stay
in this place
i can't stand
when the room turns round
on my fate
you give no guarantees
there's no promise i can keep

i can't stand
i can't see my way
i feel blind
on my feet
i can't stay too long
am i wrong?

goodbye, lay the blame on Love
goodbye, lay the blame on Love
goodbye, lay the blame on Love
goodbye, lay the blame on Love

i'm so tired
of my mood
and sleep comes
with a knife, fork and a spoon
you're so pale
in your face
you let life get in your way

and i've seen
you don't need their scenes
when their cut goes in deep
and i'm lost in sleep
am i wrong?

goodbye, lay the blame on Love
goodbye, lay the blame on Love
goodbye, lay the blame on Love
goodbye, lay the blame on Love
