Ever since I was young  
Your word is the word  
That's always won  
Worry and wake the ones you love  
A phone call  
I'd rather not receive  
Please use my body while I sleep  
My lungs are fresh and yours to keep  
Kept clean and they will let you breathe

Is this, the way a toy feels  
When it's batteries run dry?  
I am, the watch you always wear  
But you forget to wind

Nobody plans to be half a world away  
At times like these  
So I sat alone and waited out the night  
The best part of what has happened  
Was the part I must have missed  
So I'm asking you to shine it on and stick around  
I'm not writing my goodbyes

I submit no excuse  
If this is what I have to do  
I owe you everyday I wake  
If I could, I would shrink myself  
Sink through your skin to your bloodcells  
Remove what ever makes you hurt  
But I'm too weak to be your cure

Is this, the way a toy feels  
When it's batteries run dry?  
I am the watch you always wear  
But you forget to wind

Nobody plans to be half a world away  
At times like these  
So I sat alone and waited out the night  
The best part of what has happened  
Was the part I must have missed  
So I'm asking you to shine it on and

Stick around  
I'm not writing my goodbyes

I'm not letting you check out  
You will beat this starting now  
And you will always be around  
I'm there to monitor your breathing  
I will watch you while your sleeping  
I will keep you safe and sound

Does anybody remember back when you were very  
young?  
Did you ever think that you would be this blessed?

Nobody plans to be half a world away  
At times like these  
So I sat alone and waited out the night  
The best part of what has happened  
Was the part I must have missed  
So I'm asking you to shine it on  
And stick around  
I'm not writing my goodbyes
