I cashed in all my chips tonight
And comb my hair to look just right
Cause I've been thinking bout you and me girl
And we got something going on
You told me you can't wait to see me
And you didn't bother to even show up
This whole situation's incredibly typical
Shoulda seen it all along

Shoulda seen it all along
I shoulda seen it all along
Cause it's girls like you
That make me think I'm better off
Home on a saturday night
With all my doors locked up tight
I won't be thinkn' about you baby

Call me on the phone
And you don't even want to talk
You're starin' at the bum across the room
But turn your back when I walk up
And we got inches away
And I never even got close
Your lipstick at home
Don't pick up the phone
Don't bother to look in my direction

Shoulda seen it all along
Shoulda seen it all along
Cause it's girls like you
That make me think I'm better off
Home on a saturday night
With all my doors locked up tight
I won't be thinkn' about you baby
Home on a saturday night
With all my doors locked up tight
I won't be thinkn' about you baby

Forget...everything you...think...you... know about me
This isn't high school
This isn't high school
This isn't high school

This isn't high school
This isn't high school
This isn't high school
This isn't high school
This isn't high school
(Forget...everything you...think...you... know about me)

I'm better off...
Home on a saturday night
With all my doors locked up tight
I won't be thinkn' about you baby
Home on a saturday night
With all my doors locked up tight
I won't be thinkn' about you baby
(Forget...everything you...think...you... know about me)
This isn't high school
(Forget...everything you...think...you... know about me)
(I better off home on a saturday night
With all my doors locked up tight
I won't be thinkn' about you baby)
