Well I lost my taste for the company of airports and cars

We flew through the year and  
Avoided the dust and rock.

We stood in the way of the tank till we bored and stopped

So never show doubt in your hand  
Till you know what they got

Touch me or don't  
Just let me know,  
Where you've been

Well drop me a line with a hook and some raw bleeding bait

(one, two, three, four)

Well I'm uncaught and still swimming alone in the lake  
(five, six, seven, eight)

Shimmering under the moon made of anger and hate  
I was the one who was always repeating it

Shimmering like a penny out of reach in the subway grate

(Shimmering like a coin kept safe away,  
You'll never listen to anything)

Touch me or don't  
Just let me know,  
Where you've been

Leave it alone, I'm sure there's someone who knows  
Where you've been
