I'm heaven sent  
Don't you dare forget  
I am all you've ever wanted  
What all the other boys all promised

Sorry I told  
I just needed you to know  
I think in decimals and dollars  
I am the cause to all your problems

Shelter from cold, we are never alone  
Coordinate brain and mouth  
Then ask me what it's like to have myself so figured out  
I wish I knew

I hope this song starts a craze  
The kind of song that ignites the airwaves  
The kind of song that makes people glad to be where  
they are  
With whoever they're there with

This is war  
Every line is about who I don't wanna write about  
anymore  
Hope you come down with something they can't  
diagnose  
Don't have the cure for

Holdin' on to your grudge  
Oh, it's so hard to have someone to love  
And keepin' quiet is hard  
'Cause you can't keep a secret if it never was a secret  
to start  
At least pretend you didn't wanna get caught

We're concentratin' on fallin' apart  
We were contenders, now throwin' the fight  
I just wanna believe  
I just wanna believe  
I just wanna believe in us

Oh, we're so co-co-controversial

We are entirely smooth  
We admit to the truth  
We are the best at what we do

And these are the words you wish you wrote down  
This is the way you wish your voice sounds  
Handsome and smart  
Oh, my tongue's the only muscle on my body  
That works harder than my heart

And it's all from watching TV  
And from speedin' up my breathin'  
Wouldn't stop if I could  
Oh, it hurts to be this good

You're holding on to your grudge  
Oh, it hurts to always have to be  
Honest with the one that you love  
Oh, so let it go

We're concentratin' on fallin' apart  
We were contenders, now throwin' the fights  
I just wanna believe  
I just wanna believe  
I just wanna believe

We're concentratin' on fallin' apart  
We were contenders, now throwin' the fights  
I just wanna believe  
I just wanna believe  
I just wanna believe in us

This is intolerable

This is the craze you're makin' me starve  
This is the price you pay for loss of control  
This is the break in the bend  
This is the closest of calls  
This is the reason you're alone  
This is the rise and the fall!

We're concentratin' on fallin' apart  
We were contenders, now throwin' the fights  
I just wanna believe  
I just wanna believe  
I just wanna believe

We're concentratin' on fallin' apart  
We were contenders, now throwin' the fights  
I just wanna believe  
I just wanna believe

I just wanna believe in us
