Silver Nights of December

Verse 1

When Silver Nights clothe the trees with frost
Angels of Love bring their magic to Earth
And the crystals in the sky show us the road
Back to the Kingdom of Snow

In the Kingdom of the Silver Nights
You unlocked my frozen heart
With the star-made Golden Key
Of your Love's Melody

Chorus 1

Send me again the Silver Nights of December
When in the snowstorm, we found love, my Angel
Send me again the Silver Nights of December
When in the snowstorm, we found shelter

In the Castle made of Ice! The Kingdom of our Love

Chorus 2.2

Send me back again to the Silver Nights of December
When in the snowstorm, we found love, my Angel
Send me again the Silver Nights of December
Back to the Kingdom of our Love, my Angel

The Silver Nights! the sweetest I remember!
Silver Nights! of December!

Verse 2

As the moon sends upon us its glow
Magical wind whispers our song
Silver candles slowly burn
As we dance in the Kingdom of Snow

In the Kingdom of the Silver Nights
I was with my Angel on starlit clouds
Like a snowflake I melted in his arms
Take me back to the Kingdom of Love!
