Pants on the Ground
Pants on the Ground

Lookin' like a fool
With your pants on the Ground
With the gold in your mouth
Hat turned sideways
Pants hit the ground

Call yourself a cool cat
With your pants on the ground

Walkin' downtown with your pants on the ground!
Giddy-up
Hey! Get your pants off the ground!
Lookin like a fool!
Walkin' talkin' with your pants on the ground!

Hey! Get your pants off the ground!
Lookin' like a fool
With your pants on the Ground
With the gold in your mouth
Hat turned sideways
Call yourself a cool cat
