Always running
Fast for running
Keep your cool and have your say
Say say say say so

Silent hunger
Must get stronger
Cause you're waiting for that day
Today day today

Your reactions
Can make or break the world
Stand and be part
Of what you're meant to be

Your reactions
Can hold or set you free
Stand and be firm
Just check the term

In a hurry
Don't you worry
If things don't turn out your way
Way way way

In the morning
Don't be sorry
Hide your secrets well as you may
Today day to day

Always running
Fast for running

Keep your cool and have your say
Say say say say so

So silent hunger
Must get stronger
Cause you're waiting for that day to day
Day to day

Your reactions

Can make or break the world
Stand and be part
Of what you're meant to be

Your reactions
Can hold or set you free
Stand and be firm
Just check the term

Day to day
Day to day
Day to day
Day to day
Day to day
Day today
