Because we come in de business in 1979
Dem deh time everytyhing was find
All kind of man used to live pon de street
Rich man, poor man, begar man thief
But me never check a man for his nationality
When I check a man it's for his personality
I want you to know and I want you to see
If I respect you then you're to respect me

Come fe mash it up with enough style

Room full of people, everybody dressed smart
People dem a look for brnad new start
So we give them the drum
And we give them the bass

So I don't want no one to come lie to me
When dem say dem a me friend and dem is me enemy
I want you to know and I want you to see
If I respect you then you're to respect me

Come fe mash it up with enough style
It's me Ranking Rogee
Back weh all the people who a try stop we
