Look at the ivy on the old clinging wall
Look at the flowers and the green grass so tall
It's not a matter of when push comes to shove
It's just an hour on the wings of a dove

There's just warm love
It's just warm love
And it's everpresent everywhere
And it's everpresent everywhere
Warm Love

I dig it when you're fancy dressed up in lace
And I dig it when you have a smile on your face
This inspiration's got to be on the flow
This invitation's got to see it and know

There's just warm love
It's just warm love
And it's everpresent everywhere
And it's everpresent everywhere
Warm Love

And it's everpresent everywhere
And it's everpresent everywhere
Warm Love

Give me the warm love heavens above,
Keep we both together like a hand in glove
Give me your laughter, give me your love
'cause we settle in a riddim like me in a bathtub.
Warm love, and you have to understand
A noh any, any gal coulda hold on pon me hand
Mek we go in a de sun
Mek we lay in a de sand
In a tropical heat, with a brilliant plan, GO....

To the country I'm going
Laugh and play in the sun
You can bring your guitar along
and we'll sing some songs, have some fun, fun, fun....

The sky is crying and it's time to go home

And we shall hurry to the car from the foam
Sit by the fire and dry out of our clothes
It's raining outside from the skies up above

There's just warm love
It's just warm love
And it's everpresent everywhere
And it's everpresent everywhere
Warm Love
