Always tried to keep in touch
But somehow the ringing never stopped
I tried to break that lock
With almost death defying leaps and bounds
But never found
too many friends on stony ground
A friend's a friend but a pound's a pound
And things can get awful heavy

Say where's the line between lust and love?
Where's the line? Where's the line?

Not really hard just acting tough
That's how it seems to be
Wish I was sterner stuff
Wish I was anyone but me
Huh! Tone it down
Your friends get laid on stony ground
A friend's a friend but a pound's a pound
And things keep on pounding pounding

Where's the line between lust and love eh?
Eh? Eh? Eh? Eh?
Where's the line between black and white?
What on Earth are you thinking of?
Where's the line between lust and love?
Isn't it time for some truths and rights?
What on Earth are you?

Does you mind ever stop?
Does you mind ever stop?
No mine never stops
Stop! Stop!

So where's the line between lust and love
Where's the line between lust and love
Where's the line
Say where's the line
Where's the line
Ah where's the line

Not really hard just acting tough

Say "Wish I was sterner stuff"
Love love love
Where's the line

Look I always tried to keep in touch
Touch touch
But somehow the ringing never stopped
I say where's the line?
Where's the line between lust and love eh

Eh Eh say where's the line between lust and love
Where's the line between lust and love
Brrr bop scoop
Where's the line between lust and love
Love love love
Where's the line between lust and love
Where's the line between lust and love
Where's the line
Love love love
Where's the line
Show me

Say where's the line
Love love love
Show me
Where's the line
Love love love
Show me

Say where's the line
Love love love
Show me
Where's the line
Love love love
Where's the line
Show me
Where's the line
Love love love
Show me

If you're hiding it just cut it out
Where's the line
Show me
We could walk that tightrope
Walk that tightrope
One more time
Where's the line?
Show me show me

Where's the line between lust and love?
Brrrr bop skippm

Say where's the line?
Yes where's the line?
