The sirens indicate death
Cadavers acquired with ease
The aftermath of mischance
I prey on such tragedy

Mangled flesh supreme
Fatalities and grief

Fragmented shards of bone
Gathered with perverse glee
Sanguine cause and effect
A covert euthanasia spree

Leeching off the carnage
Meat wagon allure

Abusing the grievous outcome
Leeching stiff in the aftermath
A Machiavellian approach
Total stealth invoked

Stalk the EMT's
Appropriate the corpses
A modern Burke and Hare
Grand theft fatality

Vile forensic deception
In the guise of assistance
A harvest of broken bodies
Gathered with perverse glee

Bribe the paramedics
Ensure a tragic outcome

Mangled flesh supreme
Fatalities and grief

Leeching off the carnage
Meat wagon allure
