The greyhound's rocking out tonight  
To maximum rockabilly  
When two punks chose to risk the subway  
For a tube to Picadilly  
The Zephyrs stir fast gangs for glory  
Another dumb casualty  
Having fun  
In South West six  
When a hidden flick knife flicks  
Kiss me deadly tonight

Another battle was won and lost  
Down The Bishops End last night  
Spotlights pick the kids in triumph  
With a thousand scarves in flight, see how they run  
Spring from the terraces in black and white  
Young and old into the fight  
Having fun  
In South West six  
With Violence for a fix  
Kiss me deadly tonight

Seven o'clock they stand in rank  
For the thirteen bus uptown  
And later in a downstairs room  
She pulls her lover down  
In ecstasy but they can't make a sound  
In case her mother might come down  
Having fun  
In South West six  
Discovers teenage sex  
Kiss me deadly tonight

The snooker hall is empty  
Cos they're all out playing pool  
Hustling down the Fulham Road  
Doing deals with Mr.Cool  
We're all out on the waterfront now instead of being at  
school  
Too old now even to dig pinball  
Having fun  
In South West six

Having fun  
When a hidden flick knife flicks  
With violence for a fix  
Discovers teenage sex  
Tried shooting up for kicks  
Kiss me deadly  
Kiss me deadly  
Kiss me deadly  
Kiss me  
Kiss me tonight
