

Generation X "Untouchables"

You and me have a passion escaping the days that go
by
Just our desire
Patronize a secret painted salon
Let us talk about the live, where the skins aren't out

But it was okay
It was all right
We were, we were

The untouchables, tonight
(Woo hoo hoo hoo hoo)
The untouchables, tonight
(Woo hoo hoo hoo hoo)

You and me while we're waitin' on a corner share a
packet of two
With all the fools to save us
We laughed and cried, split our sides
At what they told us

But it was okay
It was all right
We were, we were

The untouchables, tonight
(Woo hoo hoo hoo hoo)
The untouchables, tonight
(Woo hoo hoo hoo hoo)

I've colored my life blue and ice diamonds are the line
of my life

But time strikes against us
It takes some of us home
Will pick our souls, turn up in you, while it sets me free

All things young and you
What'll I do, When you're gone too

It'll be okay
It'll be all right

If I believe tonight, if I believe, we're right
And then I'll be, then we'll really be

The untouchables, tonight
(Woo hoo hoo hoo hoo)
The untouchables, tonight
(Woo hoo hoo hoo hoo)

The untouchables, tonight
(Woo hoo hoo hoo hoo)
The untouchables, tonight
(Woo hoo hoo hoo hoo)

The untouchables, tonight
(Woo hoo hoo hoo hoo)
The untouchables, tonight
(Woo hoo hoo hoo hoo)
