Into the valley of the dolls,
Into the valley of the dolls,
Into the valley of the dolls

Went the gang of four

Song number one and the rhythm up amping
Drummer beats down 4/4 rock ranking
A bass so deep thud, thud spines shaking
And all around mad eyes are rolling

In the Valley of the dolls
Made up and stunning
In the Valley of the dolls
As the feet get moving
In the Valley of the dolls
As the pressure rising
In the Valley of the dolls
White faces staring
As into the valley of the dolls
Go the gang of four
Song after song rockettes up rocking
One hundred watts scream man
My ears are bleedin'
Hot bodies charged
Blonde locks a' givin'
And all around
Young girls are fainting
In the Valley of the dolls
Their hearts a pumpin'
In the Valley of the dolls
As the spikes are dancing
In the Valley of the dolls
Skank girls shanking
In the Valley of the dolls
I saw love vibrating
As into the valley of the dolls
Go the gallant four

Into the valley of the dolls,
Into the valley of the dolls
As into the valley of the dolls

In the Valley of the dolls
4 skulls are splitting
In the Valley of the dolls
5 fingers are clicking
In the Valley of the dolls
6 strings are burning
In the Valley of the dolls
7th hour approaching
In the Valley of the dolls
8 legs are stomping
In the Valley of the dolls
9 lives are groovin'
In the Valley of the dolls
10 thousand coasting
In the Valley of the dolls
X generating
As into the valley of the dolls,
Into the valley of the dolls,
Into the valley,
Into the valley of the dolls
