Rael regains consciousness in some musky half-light.  
he is warmly wrapped in some sort of cocoon. the only  
sound he can hear is dripping water which appears to  
be the source of a pale flickering  
T. he guesses he must be in some sort of cave - or  
kooky tomb, or catacomb, or eggshell waiting to drop  
from the bone of the womb.

Wrapped up in some powdered wool - I guess Im losing  
touch.  
Dont tell me this is dying, cos I aint changed that much.  
The only sound is water drops, I wonder where the hell I  
am,  
Some kind of jam?  
Cuckoo cocoon have I come to, too soon for you?

Theres nothing I can recognise; this is nowhere that Ive  
known.  
With no sign of life at all, I guess that Im alone,  
And I feel so secure that I know this cant be real  
But I feel good.  
Cuckoo cocoon have I come to, too soon for you?

I wonder if Im a prisoner locked in some brooklyn jail  
- or some sort of jonah shut up inside the whale.  
No - Im still rael and Im stuck in some kind of cave.  
What couldve saved me?  
Cuckoo cocoon have I come to, too soon for you?

Resigning himself to the unknown he drifts off into  
sleep.
