"Can you tell me where my country lies ?"  
Said the unifaun to his true love's eyes  
"It lies with me !", cried the Queen of Maybe  
- For her merchandise, he traded in his prize

"Paper late !", cried a voice in the crowd  
"Old man dies !" The note he left was signed  
"Old Father Thames" - it seems he's drowned  
Selling England by the pound  
Citizens of Hope & Glory  
Time goes by - it's "the time of your life"

Easy now, sit you down  
Chewing through your Wimpy dreams  
They eat without a sound  
Digesting England by the pound

Young man says "you are what you eat" - eat well  
Old man says "you are what you wear" - wear well  
You know what you are, you don't give a damn  
Bursting your belt that is your homemade sham

The Captain leads his dance right on through the night

- Join the dance ...  
Follow on ! Till the Grail sun sets in the mould  
Follow on ! Till the gold is cold  
Dancing out with the moonlit knight  
Knights of the Green Shield stamp and shout  
There's a fat old lady outside the saloon  
Laying out the credit cards she plays Fortune  
The deck is uneven right from the start  
And all of their hands are playing a part

Captain leads his dance right on through the night  
- Join the dance ...  
Follow on ! A Round Table-talking down we go  
You're the show !  
Off we go with: You play the hobbyhorse  
I'll play the fool  
We'll tease the bull  
Ringing round & loud, loud & round

Follow on ! With a twist of the world we go  
Follow on ! Till the gold is cold  
Dancing out with the moonlit knight  
Knights of the Green Shield stamp and shout
