Too big to fly, Dodo ugly so Dodo must die
Dog go with fear on its side, can't change, can't
change the tide
Dog baiter, agitator, asking questions, says he wants
to know why
Ain't no reason that money can't buy
Mink he pretty so Mink he must die, must die, must die

Sun he giving life in his light, part of the system
Friend to man, friend to the trees, no friend to the
snowman
Where does he go, what does he do?
Does he meet with the mole, the stream, the cloud
And end up at the bottom of the sea?

Fish he got a hook in his throat, fish he got problems
Where does he go, what does he do?
Does he hope he's too small, too poor a haul
Who'll end up being thrown back in the sea?
I'm back in the sea

Caretaker, horror movie
Only one eye, only needs one boot
Sweet lady, she knows she looks good
Vacuum coming for the bright and the brute

Big noise, black smoke
So pig-headed couldn't see the joke
But it ain't funny, ask the fly on the wall
It's only living it don't matter at all, at all, at all

Pimp, he make you drool and grunt, he got an answer
One he got a dream of love, deep as the ocean
Where does he go, what does he do?
Will the siren team with Davy Jones
And trap him at the bottom of the sea?
I'm back in the sea, I'm back in the sea, I'm back in the
sea

Meanwhile lurking by a stone in the mud
Two eyes looked to see what I was
And then something spoke

And this is what it said to me

Clothes of brass and hair of brown
Seldom needs to breathe
Don't need no wings to fly
Ohh a heart of stone
And a fear of fire and water
Who am I?
