"FOLLOW ME"

Visit "[FOLLOW ME](#)" on MotoLyrics.com

Stay with me,
My love I hope you'll always be
Right here by my side if ever I needed you
Oh my love

In your arms,
I feel so safe and so secure
Everyday is such a perfect day to spend
Alone with you

I will follow you will you follow me
All the days and nights that we know will be
I will stay with you will you stay with me
Just one single tear in each passing year

With the dark,
I see so very clearly now
All my fears are drifting by me so slowly now
Fading away

I can say
The night is long but you are there
Close at hand I'm better for the smile you give
And while I live

I will follow you will you follow me
All the days and nights that we know will be
I will stay with you will you stay with me
Just one single tear in each passing year there will be

I will follow you
