Stay with me
My love, I hope you'll always be
Right here by my side if ever I need you
Oh, my love

In your arms
I feel so safe and so secure
And everyday is such a perfect day to spend
Alone with you

I will follow you, will you follow me?
All the days and nights that we know will be
I will stay with you, will you stay with me?
Just one single tear in each passing year

With the dark
Oh, I see so very clearly now
All my fears are drifting by me
So slowly now, fading away

I can say
The night is long but you are here
Close at hand, oh, I'm better for the smile you give
And while I live

I will follow you, will you follow me?
All the days and nights that we know will be
I will stay with you, will you stay with me?
Just one single tear in each passing year there will be

I will follow you, will you follow me?
All the days and nights that we know will be
I will stay with you, will you stay with me?
Just one single tear in each passing year

I will follow you, will you follow me?
All the days and nights that we know will be
I will stay with you, will you stay with me?
Just one single tear in each passing year

I will follow you, will you follow me?
All the days and nights that we know will be

I will stay with you, will you stay with me?
