In life there are those decisions  
'Which direction you should take?'  
It's only later that you realize  
All those simple mistakes you make

I don't like being alone  
Don't wanna be by myself  
But since you've gone that's all I can think of  
I can't think of nothing else

Oh, I said, "I'm sorry, soon I give it up"  
You know I'm sorry, soon I give it up  
You know I'm sorry, soon I give it up  
'Cause my heart's on fire  
My heart's on fire

Woah, can you take me there?  
Oh, come back and take me there  
'Cause I need to be with you  
Be there with you

Yes, there is no denying  
And our love is not untrue  
I know I've lied so many times before  
But deep down there's only you

I need you here by my side  
Together our love could grow  
But first you have to believe that I want you  
More than you'll ever know

Woah, I said, "I'm sorry, [Incomprehensible] I give it  
up"  
You know I'm sorry, soon I give it up  
You know I'm sorry, soon I give it up  
'Cause my heart's on fire  
My heart's on fire

Woah, can you take me there?  
Oh, come back and take me there  
'Cause I need to be with you  
Be there with you

Give it up  
Give it up  
Give it up

Give it up  
Give it up  
Give it up

Give it up  
Give it up  
Give it up

With it we take our chances  
What will be, will be  
But I don't care what the people may think  
Just as long as you're here with me

Don't like being alone  
Don't wanna be by myself  
And since you've gone, well, that's all I can think of  
I can't think of nothing else

Woah, I said, "I'm sorry, [Incomprehensible] I give it  
up"  
You know I'm sorry, soon I give it up  
You know I'm sorry, soon I give it up  
'Cause my heart's on fire  
My heart's on fire

Woah, can you take me there?  
Oh, come back and take me there  
'Cause I need to be with you  
Be there with you  
You, be there with you

Heart's on fire  
Heart's on fire  
Heart's on fire  
My heart's on fire  
Heart's on fire  
Heart's on fire

Ho well, my heart's on fire  
Well, my heart's on fire  
Heart's on fire  
Well, my heart's on fire
