Exhausted by all this conjecture, our hero gets the  
chance in a lifetime to meet his hero: death. death is  
wearing a light disguise, he made the outfit himself. he  
calls it the supernatura  
Esthetist. death likes meeting people and wants to  
travel. death approaches rael with his special  
cannister, releases a puff, and appears to walk away  
content into the wall.

Here comes the supernatural anaesthetist.  
If he wants you to snuff it,  
All he has to do is puff it  
- hes such a fine dancer.
