I can feel it coming in the air tonight, hold on  
I've been waiting for this moment all my life, hold on  
Can you feel it coming in the air tonight? Hold on, hold on

Well, if you told me you were drowning  
I would not lend a hand  
I've seen your face before, my friend  
But I don't know if you know, who I am

Well, I was there and I saw what you did  
I saw it with my own two eyes  
So you can wipe off the grin  
I know where you've been, it's all been a pack of lies

And I can feel it coming in the air tonight, hold on  
I've been waiting for this moment for all my life, hold on  
I can feel it coming in the air tonight, hold on, hold on  
And I've been waiting for this moment all my life, hold on, hold on

Well, I remember  
I remember don't worry  
How could I ever forget  
It's the first time, the last time we ever met

But I know the reason why  
You keep your silence up, no, you don't fool me  
The hurt doesn't show  
But the pain still grows, it's no stranger to you or me

And I can feel it coming in the air tonight, hold on
