Well I've been waiting, waiting here so long  
But thinking nothing, nothing could go wrong, ooh now  
I know  
She has a built in ability to take everything she see  
And now it seems I'm falling, falling for her

She seems to have an invisible touch yeah  
She reaches in, and grabs right hold of your heart  
She seems to have an invisible touch yeah  
It takes control and slowly tears you apart

Well I don't really know her, I only know her name  
But she crawls under your skin  
You're never quite the same, and now I know  
She's got something you just can't trust  
It's something mysterious  
And now it seems I'm falling, falling for her

She seems to have an invisible touch yeah  
She seems to have an invisible touch yeah  
She seems to have an invisible touch yeah  
She reaches in, and grabs right hold of your heart  
She seems to have an invisible touch yeah  
It takes control and slowly tears you apart

She seems to have an invisible touch yeah  
She reaches in, and grabs right hold of your heart  
She seems to have an invisible touch yeah  
It takes control and slowly tears you apart

So she don't like losing, to her it's still a game  
And though she will mess up your life  
You'll want her just the same, and now I know  
She has a built in ability to take everything she sees  
And now it seems I've fallen, fallen for her

She seems to have an invisible touch yeah  
She reaches in, and grabs right hold of your heart  
She seems to have an invisible touch yeah  
It takes control and slowly tears you apart

She seems to have an invisible touch

She seems to have an invisible touch  
She seems to have an invisible touch
