I'm one of many, I speak for the rest but I don't
understand
Tonight, tonight, oh tonight, tonight
He brings another day, another night, another fight
Well there's another day done and there's another
gone by
He's a man of our times, a man of our times
Tonight, tonight, oh he's burning bright

He's a man of our times, he's a man of our times, ooh
ooh ooh
And in the beating of your heart there is another
beating heart

All at once I can see what we do
Me into me and you into you
Me into me and you into you
Tonight, tonight, oh he's burning bright
Everyone is on their feet cos he is out
Out on the street
There's another day done and there's another gone by
No more me into e and you into you

Tonight, tonight, oh he's burning bright

He's a man of our times, he's a man of our times, ooh
ooh ooh
And in the beating of your heart there is another
beating heart

All at once I can see what we do
Me into me and you into you
Me into me and you into you
Tonight, tonight, oh he's burning bright
Everyone is on their feet cos he is out
Out on the street
There's another day done and there's another gone by
No more me into e and you into you
Tonight, tonight, oh he's burning bright

Man of our times, he's a man of our times
He's a man of our times, ooh ooh ooh

And in the beating of your heart there is another
beating heart

Man of our times ...
