

## Genesis "On The Shoreline"

Visit "[On The Shoreline](#)" on MotoLyrics.com

Released as b-side of I cant dance single, 1991.

Well theres a place where two worlds collide  
The pile of stone against the pull of the tide  
You can stay with your feet on the ground  
Or step into the water, leave the dry behind

On the shoreline  
Meet me on the shoreline  
Where you can only swim if you try

Well, if theres somewhere on the other side  
It might be better, it might be as bad  
Someday soon youll have to make a move  
Cos you cant stay forever, ah just waiting

On the shoreline (on the shoreline)  
Meet me on the shoreline (on the shoreline)

Take me over, lead me through

Well can you take me there, to the other side  
Where everything is new, uncertain and strange  
Dont ever let me go till were there  
I dont know what it is Im looking for  
And until its found I wont be sure...

Well, there are squares in the game of life  
When you can keep on moving or turn aside  
Yes, there are times when you have to decide  
To put your feet in the water, or stay

On the shoreline (on the shoreline)  
Meet me on the shoreline (on the shoreline)  
Where you can only swim if you try  
Ill be there - oh  
On the shoreline (on the shoreline)  
Ill be there on the shoreline (on the shoreline)  
Where you can only swim if you try  
Ill be there  
Ill be there - oh  
Yes, Ill be there

Ill be there...
