Little Nemo rubbed his eyes and got out of bed  
Trying hard to piece together a broken dream  
His visions lifelike and full of imagination  
It's strange to think they come from such a tiny head

Dragons breathing fire, but friendly  
Mushrooms tall as houses  
Giant nymphs and goblins playing  
Scenes from a night's dream, poor Little Nemo!

Eating all kinds of food so close to bedtime  
Always made him have these nightmares it seemed

Helped young Washington in the garden  
Cut the cherry tree down  
Now we all know that's not history  
Scenes from a night's dream, poor Little Nemo!

"Nemo, get out of bed!"  
"Don't tell me stories, I don't want to know!"  
"Come on you sleepy head, we're waiting to go!"

Once he went to the "Carnival of Nations"  
Dancing with the princess through the night

Found themselves on a moving platform  
Ten ton weights above them  
Seeking audience with King Morpheus  
Scenes from a night's dream, poor Little Nemo!

"Nemo, get out of bed!"  
"Don't tell me stories, I don't want to know!"  
"Come on you sleepy head, we're waiting to go!"
