I'm a million miles from anywhere, where can I be?  
Somewhere out on the ocean  
Just take a look on the horizon, what can you see?  
There's nothing there for me

I feel shipwrecked  
I might as well be shipwrecked  
I'm helpless and alone driftin' out to sea  
I can't believe what you said to me

Even standing on the corner of a busy city street  
I still feel so lonely  
Why just say you want to be with me  
But the next day say you don't

I'm shipwrecked  
I might as well be shipwrecked  
I'm helpless and alone driftin' out to sea  
I can't believe what you said to me

Without you I feel shipwrecked  
But I can't let it show  
A million miles away from anywhere  
Ohh, ohh, ohh

Is it my imagination  
Or is it gettin' darker, are the waves gettin' higher  
I'm a million miles from anywhere  
A million miles from anything I know

You know, that's why I'm shipwrecked  
I might as well be shipwrecked  
I'm helpless and alone driftin' out to sea  
I can't believe what you said to me

You know, that's why I'm shipwrecked  
Shipwrecked  
Losing my direction  
Please come and rescue me

Shipwrecked  
Shipwrecked

Shipwrecked
