Lay your body down upon the midnight snow
Feel the cold of winter in your hair
Here in a world of your own
In a casing that's grown
To the children's delight
That arrived on the night

Here they come to play their magic games
Carving names upon your frozen hand
Here in a world of your own
Like a sleeper whose eyes
Sees the pain with surprise
As it smothers your cries
They'll never, never know

Hey there's a Snowman
Hey, hey what a Snowman
Pray for the Snowman
Ooh, ooh what a Snowman
They say a snow year's a good year
Filled with the love of all who lie so deep

Smiling faces tear your body to the ground

Covered red that only we can see
Here in a ball that they made
From the snow on the ground
See it rolling away
With wild eyes to the sky
They'll never, never know

Hey there's a Snowman
Hey what a Snowman
Pray for the Snowman
Ooh, ooh what a Snowman
They say a snow year's a good year
Filled with the love of all who lie so deep

Hey there goes the Snowman
Hey there what a Snowman
Hey there lies a Snowman
Hey there was a Snowman

They say a snow year's a good year
Filled with the love of all who lie so deep

Hey there goes the Snowman ...
