No not this confused again
No not the same mistakes again.
Youre taking it all to heart
Youre taking it all too hard

Why can't you see what's going on?
I know you'd never admit
You would ever be to blame
Everythings a game to you
The old days are gone
And they're better left alone
I cannot help you, it's much too late

Oh no not this confused again
Oh no not the same mistakes again.
Youre taking it all to heart
Youre taking it all too hard

There's always a reason why it happened
You never never did anything wrong, but it
It just seemed to fall apart
But you're taking it all too hard

Now that it's dark, all of your fears,
Like shadows creeping around.
Youre much too scared to look down
And it's lonely out on your own

The old days are gone
And they're better left alone
But I still miss you
I keep it to myself

Oh no not this confused again
Oh no not the same mistakes again
Youre taking it all to heart
Youre taking it all too hard

Oh no not this confused again
Oh no not the same mistake again
Youre taking it all to heart
Youre taking it all too hard

Youre taking it all to heart
Youre taking it all too hard

Oh no not this confused again
No no not the same mistakes again
Youre taking it all to heart
Youre taking it all too hard

Oh no not this confused again
Oh no not the same mistakes again
Youre taking it all to heart
Youre taking it all too hard
