No not this confused again
No not the same mistakes again
You're taking it all to heart
You're taking it all too hard

Why can't you see what's going on I know you'd never
admit
You would ever be to blame
Everything's a game to you
The old days are gone
And they're better left alone
I cannot help you, it's much too late

Oh no not this confused again
Oh no not the same mistakes again
You're taking it all to heart
You're taking it all too hard

There's always a reason why it happened
You never never did anything wrong, but it
It just happened to fall apart
You're taking it all too hard

Now that it's dark, all of your fears
Like shadows creeping around
You're much too scared to look down
And it's lonely out on your own

The old days are gone
And they're better left alone
But I still miss you
I keep it to myself

Oh no not this confused again
Oh no not the same mistakes again
You're taking it all to heart
You're taking it all too hard

Oh no not this confused again
Oh no not the same mistakes again
You're taking it all to heart
You're taking it all too hard

You're taking it all to heart
You're taking it all too hard
