Tell me my life is about to begin,  
Tell me that i'm a hero,  
Promise me all of you violent dreams,  
I guarantee all you will need them  
Now, in this ugly world,  
Get ready to fight for your freedom  
Now, when i give the word,  
Get ready to destroy all this evil  
Now -

Stand up and fight, for you know we are right  
We will strike at the lies  
That have spread like disease through our minds.  
Soon we'll have won and we'll treasure this worth  
With our winnings and kindness  
To all who our love now deserve  
Some of you are going to die -  
Martyrs, of course, to the freedom i will provide.

I'll give you the names of those you must kill  
Then have all burned and quickly  
Cover them up in trafalgar square  
Hurry to see, you'll see them dead  
In this ugly world,  
Ready to fight for your freedom  
Now, when i give a word  
Hang 'em on high, let the blood flow  
Now -

Stand up and fight, for you know we are right  
We must strike at the lies  
That have spread like disease through our minds  
Soon we'll have won and we'll treasure this worth  
With our winnings and kindness  
To all who our love now deserve  
Some of you are going to die -  
Martyrs of course, to the freedom i will provide

We are only wanting freedom...

--- we have won ---

Some of you are going to die,  
Martyrs, of course, to the freedom i will provide
