The silent sun that never shines,  
She is the warmth of my lonely heart,  
The motion of a turning wheel,  
Can't you stop it and look around.

Baby, you feel so close,  
I wish you could see my love,  
Baby, you've changed my life,  
I'm trying to show you.

A tiny stone that hides from me,  
Can't you see that I'm just outside,  
A mountain stream that chills the sea,  
Can't you feel in your useless pride.

Baby, you feel so close...

When night reveals a star filled sky  
I want to hold it in my hands.  
When snowflakes heal the ugly ground,  
Your beauty hides the joy I've found.

Baby, you feel so close...
