Need I say I love you
Need I say I care
Need I say that emotions,
Something we don't share
I don't want to be sitting here
Trying to deceive you
Cos you know I know baby
That I don't wanna go.

We cannot live together
We cannot live apart
That's the situation
I've known it from the start
Every time that I look at you
I can see the future
Cos you know I know babe
That I don't wanna go.

Throwing it all away
Throwing it all away
Is there nothing that I can say
To make you change your mind
I watch the world go round and round
And see mine turning upside down
You're throwing it all away.

Now who will light up the darkness
Who will hold your hand
Who will find you the answers
When you don't understand
Why should I have to be the one
Who has to convince you
Cos you know I know baby
That I don't wanna go.

Someday you'll be sorry
Someday when you're free
Memories will remind you
That our love was meant to be
Late at night when you call my name
The only sound you'll hear
Is the sound of your voice calling

Calling after me.

Just throwing it all away
Throwing it all away
There's nothing I can say
Were throwing it all away
Yes were throwing it all away...
