1971. released as b-side of "i know what I like" single, 1974.

Is it really true what they're saying
Are you really sure there's nobody come for me
When I'm walking home there is no-one
Once there was a house, full of laughter - so warm
Trying to pretend there is someone
Someone who will care when I need it

I will now receive my comfort, conjured by the magic
power of wine
Just a drink, I'll get that drink, and I'm feeling good
Just a drink, I'll get that drink, and I'm feeling fine
Just a drink to take my sorrow
Just a drink and you can blast tomorrow
Just a drink to make me feel like a man again
Now I'm down

When I walk outside, there is nowhere
Children follow me, with their laughter - so cold...
Casting just a glance at the churchyard

Casting just a glance, at my painted female friend.

Now I'm on my way, I am falling
Got to find some 'elp, ooh I will need that now

So I will receive my comfort, conjured by the magic
power of wine
Just a drink, I'll get that drink, and I'm feeling good
Just a drink, I'll get that drink, and I'm feeling fine
Just a drink to take my sorrow
Just a drink and you can blast tomorrow
Just a drink to make me feel like a man again
Now I'm down...

I will now receive my comfort, conjured by the magic
power of wine
Just a drink, I'll get that drink, and I'm feeling good
Just a drink, I'll get that drink, and I'm feeling fine
Just a drink to take my sorrow

Just a drink and you can blast tomorrow, now...
