A day of uncertain weather
Captured in a frame forever
A face in a faded photograph

He must have had a life
Maybe with a family
People who meant everything to him
A sinner, a saint, a soldier
Caught up in a war he never
Had a chance to start or build a life

All gone, long ago
Leavin' no trace
Disappearin' like smoke in the wind
To become just a face without a name
Leavin' no trace
Disappearin' like smoke in the wind

Hopes and fears important plans
Forgotten memories
Footsteps fadin' in the sand, ohh oh
Schemes and dreams, small and grand
Nothin' left to see
Footsteps fadin' in the sand, ohh oh

Someone who cast a shadow
Maybe just a lazy man
Doesn't make much difference now it's true
A day of uncertain weather
Captured in a frame forever
A face in a faded photograph

All gone, long ago, ooh
Leavin' no trace
Disappearin' like smoke in the wind
To become, just a face without a name
One more to add to the total
Of those never heard of again

Yes, he's gone
Just a face without a name
Leavin' no trace

Disappearin' like smoke in the wind
All gone
Just a face without a name
Leavin' no trace
Disappearin' like smoke in the wind
