Yeah! Yea Yea Yea Yea Yea Yea. YeaYeah
Yeah! Yea Yea Yea Yea Yea Yea. YeaYeah

Stupid boy thought he'd try to run a game on me
While out last night
(said he wanted me, said he couldn't lie, but I was his
first date in a while)
He seemed real cool but I won't suffer a fool gladly,
Hear what the next girl said to me in the bathroom.

I got your tune, yeah I know your game,
Your misfortune's
I'm about to shame you
Ain't too clever thinking must strain
You only have yourself to blame

Hey girl to tell you's my duty
He just wants your booty
He's all about the booty
Yeah!!
Well I just came to boogie
I'm all about the boogie
Tonight's 'bout the boogie

Yeah! Yea Yea Yea Yea Yea Yea. YeaYeah
Yeah! Yea Yea Yea Yea Yea Yea. YeaYeah

Foolishly he began lying
Trying denying what I'd just found out
(Said he told the truth, said he didn't lie, he had an
alibi)
Right about then came two woman said
They'd been calling on him night and day
Then they say

I got your tune, yeah I know your game,
Your misfortune's
I'm about to shame you
Ain't too clever thinking must strain
You only have yourself to blame

Hey girl to tell you's my duty
He just wants your booty
He's all about the booty
Yeah!!
Well I just came to boogie
I'm all about the boogie
Tonight's 'bout the boogie

Don't wannaâ€¦wanna boogie.
Don't care to...wanna boogie.
Cos I don't care about you...i'm gon' boogie.
Don't wanna stop, wanna boogie now.
