Together we got love, we got peace  
Together we got everything we're ever gonna need

I don't know what you can call it  
All I know is that it works  
And here's the funny thing about it, sugar  
Sometimes it feels so good it hurts, yeah

We've got a lover's fascination  
Keeps getting better all the time, yeah  
And there's no sweeter sweet sensation  
Than knowing what we've got is right

Together we got joy, we got faith  
Baby, we got somethin' nothin' ever can replace

We're keepin' it strong together, day by day  
Takin' it nice and easy as we go, day by day  
Baby belong together, day by day  
Takin' it day by day by day by, day by day

Baby, we ain't missin' nothin'  
What we have is tried and true, ooh  
And we know that this is somethin', yeah yeah  
We don't ever wanna lose

We've got the perfect situation  
And it keeps getting better, better all the time

We're keepin' it strong together, day by day  
Takin' it nice and easy as we go, day by day  
Baby belong together, day by day  
Takin' it day by day by day by, day by day

We're keepin' it strong together, day by day  
Takin' it nice and easy as we go, day by day  
Baby belong together, day by day  
Takin' it day by day by day by, day by day

Together we got love, we got peace  
Baby, we got everything we're ever gonna need  
Together we got joy, we got faith

Baby, we got somethin' nothin' ever can replace

We've got the perfect situation, yeah  
And it keeps getting better, better all the time

We're keepin' it strong together, day by day  
Takin' it nice and easy as we go, day by day  
Baby belong together, day by day  
Takin' it day by day by day by, day by day

We're keepin' it strong together, day by day  
Takin' it nice and easy as we go, day by day  
Baby belong together, day by day  
Takin' it day by day by day by, day by day

Together we got love, we got peace  
We got everything we're ever gonna need  
We got joy, we got faith  
We got somethin' nothin' ever can replace

Day by day, day by day  
Day by day, day by day  
Day by day, day by day  
Day by day, day by day
