Fake, fake, fake
Why you such a
Fake, fake, fake
Why you such a

Thought you had me 'round your finger
(Fake, fake, fake)
(Why you such a)
Now my phone's off the receiver
(Fake, fake, fake)

Apparently, you don't know or do care to
Comprehend just what I'm saying
You made me worship you from head to toe
You're flaky with my heart, so now I'm leavin', I'm
leavin'

You really had me going, baby
Come on, give me a break
You really had me going, baby
How come you're such a fake?

Fake, fake, fake
Why you such a
Fake, fake, fake

Yeah, you took me high
And made my heart go 'round and 'round
You gave me fever
But lately I've been seekin' deeper meanings
And vibrations with another, another

You really had me going, baby
Come on, give me a break
You really had me going, baby
How come you're such a fake?

Fake, fake, fake
Why you such a
Fake, fake, fake
Why you such a

Thought you had me 'round your finger
(Fake, fake, fake)
(Why you such a)
Now my phone's off the receiver
(Fake, fake, fake)

Fake, fake, fake
Why you such a
Fake, fake, fake
Why you such a

Thought you had me 'round your finger
(Fake, fake, fake)
(Why you such a)
Now my phone's off the receiver
(Fake, fake, fake)

Why you such a
Fake, fake, fake
Fake, fake, fake
Fake, fake, fake
Fake, fake, fake
