Highest High  
Deep inside  
Lifts you up, sets you free like nothing else can.

Highest High,  
Highest High,  
Takes you there, brings you back again

Big dreams never sleep, no  
I made a promise to myself I've got to keep, I...  
I was down for something,  
always looking outside for the one thing I could feel.

But when my faith was under fire,  
I never turned around  
and never once backed down  
from my desire  
my heart and soul  
still had control  
and I knew I...

I had the highest high  
that power deep inside  
that lifts you up, and sets you free like nothing else  
can.  
Highest High  
Love is the highest high  
That takes you there and brings you back again.

Ever since that day, yeah  
I know I'll never feel alone or be afraid, I...  
I was on a mission,  
on a search for fear,  
trying to find the reason for the trouble that I've been.

But when my faith was under fire,  
I never turned around  
and never once backed down  
from my desire  
my heart and soul  
still had control  
and I knew I...

I had the highest high  
that power deep inside  
that lifts you up, and sets you free like nothing else  
can.

I got the highest High  
Love is the highest high  
That takes you there and brings you back again.

I got the highest high  
that power deep inside  
that lifts you up, and sets you free like nothing else  
can.

I got the highest High  
Love is the highest high  
That takes you there and brings you back again.

I'm high I'm so high  
Feet don't touch the ground  
head's up in the clouds  
I'm high I'm so high  
Feet don't touch the ground  
head's up in the clouds

I was down for something,  
that so for real  
always looking outside for the one thing I could feel.  
and when my faith was under fire, fire...  
I never turned round, and...  
I never backed down, yeah...
