You've got a Friend
You've got a Friend in me

When you're down and troubled
and you need some loving care
and nothing, no whoa is going right.
Close your eyes and think of me
Whoa and soon I will be there
to brighten up even your darkest night, yeah

you just call out my name
and you know where ever I am
I'll come running, yeah
to see you again. Yeah.

Don't you know that
Winter, spring, summer, or fall,
all you gotta to do is call
and I'll be there, yes I will.
You've got a friend.
Hey, ain't it good to know that you've got a friend?
People can be so cold.
They'll hurt you and desert you
take your soul if you let them.
So don't let them No

you just call out my name
and you know where ever I am
I'll come run run run running yeah
to see you again yeah

don't you know that,
Winter, spring, summer, or fall,
all you've got to do is call
and I'll be there, yes I will
You've got a friend.

You've got a friend.
You've got a friend.
You've got a friend in me

You've got a Friend that's what you got,

You've got a friend in me
Call out my name why don't you
I'm gunna brighten up EVEN your darkest night
Whenever you call
I'll be there
Whenever you need me, I'll be right there
Just call
Call out my name why don't you
I'm gunna brighten up EVEN your darkest night
