[Unfathomable depths of fanaticism and depravity]
(x5)

Do our choosing without hesitation...Give yourself over
to sin.

Your one chance for redemption shall {will} come
when the spark is ignited
within.

Forced to sever the ties to this world which is bound by
lies.

{Your} Free from original sin, forced to find what was
hidden within.

[Pleasurable moan]

Breathe you in; lead you out.

Inflame your passions within our depravity, give
yourself over to sin.

[And depravity]

You won't emerge without transformation...Flesh our
soul will win.

Forced to sever the ties to this world which is bound by
lies.

You're free from original sin, forced to find what was
{is} hidden within.

[I am in command] (x2)

Forced to lay, locked away, made to serve...another
120 days.

[This will even prevent masturbation]

You rise in the presence of our libertinage, taste all the
pleasures of sin.

Your one desire controlled by perversion, compelled by
lust within.

Forced to sever the ties, to this world which is bound by
lies.

You're free from original sin...Release what was hidden
within.

Forced to lay, locked away, made to serve...Another
120 days.

I slide a glance in your direction

Just what you need and then you'll want to say

"fill my hole with your affection"

Conditioned to begin

10 more hours to save your flowers, or watch them wilt

away
We'll hunt you, we want you
Where forever is one day
Day! (x7)
