Back down in the dirt;
make it harder, make it hurt.
Say more... Grasp.
Thrust it.
Say you want {me} baby, to lick your sweat.
Say that you need me while it's wet.
I wanna see you on your back giving head.
On your knees...
Please, give it to me now.
Give me more.
Give me more.
More...
Give me more.
You're force fed
Force fed... Pool of lust.
Make it harder. Grasp it.

Thrust it.
Say you want me baby, to lick your sweat.
Say that you need me while it's I'm wet.
I wanna see you on your back... Giving head.
On your knees.
Please give it to me now.
Give me more.
Give me more.
More...
Give me more.
Forced fed.
I was forced fed.

Force fed.
Give it to me.
Force fed.
I was forced fed... yeah.
Forced fed.
Lick it.
