Masturbating in your bedroom.
Spilling seed I see your pin.
Take a bite and come inside.
I know your pain is far from insane.

Jack! Jack! Oh baby come in me.
Jack me! Smack me!
Bend me over... In my your face.

I need the harder way;
That you take my body for your own play.
Torch my soul, fill it how you wish.
To see you bleed is my what I need.

When I'm there you're jacking everywhere.
Can't you see it's what I want.

Say a prayer for jackin' while I beat you.
It's right in my...

Jack
Oh yeah
Jack

Master's play, is jackin' every day.
And when he's cumming it's what I want.
Your swollen vein jacks away the pain.
It's right in my...
Right there...

Masturbating in your bedroom.
Spilling seed I see your pin.
Take a bite and come inside.
I know your pain.
Mmmmmm... My jackin' man...
