I gotta tell you baby you fill the deepest hole
With granite from the blood of my soul
Since the light that i could find in these eyes
Youve never gone this far without singing

This songs for
Sung for my
Broken soul you left hollow
You opened up my heart inside and i died yeah
This songs for
Sung for my
Broken soul you left hollow
You'll never know all the pain you left behind yeah

Well i still got that feeling
There's somehting left untold
Translulent purgatory of my soul
Late at night
I wonder if all is right
Between it all makes it alright

This songs for
Sung for my
Broken soul you left hollow
You opened up my heart inside and i died yeah

This songs for
Sung for my
Broken soul you left hollow
You'll never know all the pain you behind yeah

Yeah(x3)

Ive seen the soul
Comfortably in sane despair
When my time comes
And through it all
I know i will be there laughing when your time comes
yeah

I still got that feeling
There's something left untold

Translucent purgatory of my soul
Late at night i wonder if all is right
Between it all makes it alright

This songs for
Sung for my
Broken soul you left hollow
You opened up my heart inside and i died yeah
This songs for
