Did you ever wonder...  
Wonder why  
The way you are  
Deep inside...  
Did you ever wanna...  
Run and hide  
Hide away with your pride

Did you  
Afraid of what's inside  
Afraid to hurt your pride  
Afraid of what you'll find

Did you ever wanna  
Run a road  
Away from everything  
In your life  
Did you ever question

Question why  
Your existence and your strife

Did you  
Afraid of what's inside  
Afraid to hurt your pride  
Afraid of what you'll find

Yeah My reason  
Yeah My purpose  
Yeah my ego  
Yeah now did you

Afriad of what's inside  
Afraid to hurt your pride  
Afraid of what you'll find
