Been away for a long time.
Seen some things in my time.
Different places, people's faces,
Played my aces, kicked my traces.

Movin' past old town signs,
Hometown special going down the line.
Hometown special, hometown special,
Hometown special, hometown special,
Hometown special, home.

Playing hard under my breath.
Had good times, gotta be said.
Going home to welcome faces
Someone there to warm embraces.

Movin' past old town signs,
Hometown special going down the line.
Hometown special, hometown special,
Hometown special, hometown special,
Hometown special, home.

Been away for a long time.
Seen some things in my time.
Different places, people's faces,
Played my aces, kicked my traces.
