Mountain time, mountain date. Hope to be there,  
before it's late

I need to see you, looking fine. Gotta be there,  
mountain time

Mountain time, mountain date. Hope to be there,  
before it's late

Last night I had to tell you, made up my mind I need to  
see you

Got on the road to ride

I thought all of it over, now I have to be at your side

Somewhere, be there

So hard seeing it your way. I'm glad, what more can I  
say

This lane taking me back today
