1. Nothing At All

Now she sits by the riverside
Watching the waters glide by,
With a sigh
And the things she put faith in
Are ripples just waving her by
With a sigh

She sees lovers pass by with much more than a kiss
Ah this - little girl who had everything finds
she's nothing at all

Now the wind seems so cold
Seems all old as it laughs at her fears
And her tears
And as ducks swim away from her
Visions of past love appear
In her tears

She sees love in his face as she tells him to go,
And so - here's a girl who had everything now
she's Nothing at all

What could she do if she saw him now;
Now that he's gone she's losing
If she could see what she's seeing now
For sure she's more than just choosing

Now she sits by the riverside
Watching the waters glide by,
With a sigh
And the things she put faith in
Are ripples just waving her by,
With a sigh

She sees lovers pass by with much more than a kiss
Ah this - little girl who had everything finds
She's nothing at all

2. Plain Truth

Why do you question
When there's no answer told?
Plain truth is nothing
You can't buy it when it's sold

Save all your money
And they won't reason why
Why all the worry?
They'll spend it when you die

Don't look for something
Plain truth is nothing,
nothing but the plain truth

You stand and wonder
Just let it warm your skin
Take all the living
Live life and let it win

Plain truth means nothing
Cry, laugh and cry again
You question answers
Born, live and die, Amen

Don't look for something
Plain truth is nothing,
nothing but the plain truth

Why do you question
When there's no answer told?
Plain truth is nothing
You can't buy it when it's sold

Save all your money
And they won't reason why
Why all the worry?
They'll spend it when you die

Don't look for something
Plain truth is nothing,
nothing but the plain truth
